1. Programmes

The proof programme was amended as follows:-

Delete Birds of Prey Display.

Add BHF family race at 3.15pm.

Delete Photography from presentations.

Confirmed OPC would be in the Marque.

Fell Race Marshalls were confirmed they would be in place.

Children's races were to go ahead.

Only one tug of war team was available, therefore a "scratch" team would be made up from the visitors on the day.

The following sponsors were to be added to the programme, KWVR, George Emmott (Pawsons) Ltd, Upwood Holiday Park, Timothy Taylor, and Daedalian Ltd.

Richard confirmed he would have a team of programme sellers in place.

2. P A System

It was decided we would use our own PA system and not use the one kindly offered by Keighley Co-ordinators office as the microphone was not wireless.

3. Setting up

Core group of helpers to be on the Green between 8.00 and 9.00 am, with casual workers to be there between 10.00 and 10.30am.

The "church" group would be responsible for taking down the marquee the following day.

4. Floats

Andrew confirmed he would have similar floats available as previous years.

Meeting closed 8.43pm. Next meeting 23rd September 2013.
